

# RESTCON 2024

1st International Conference on  
Robotics, Engineering, Science,  
and Technology 2024

# CALL FOR PAPERS

"Advancing  
Innovation,  
Transforming  
the Future"

## THEMES

- Robotics and Future Tech
  - Intelligent Robotics and Autonomous Systems
  - AI & Machine Learning and Innovative Technologies
- Engineering Explorations and Applied Sciences
  - Advanced Computational Engineering
  - Control System and Electrical & Electronics Engineering
  - Advanced Materials Engineering
  - Space Engineering
  - Production, Industrial Engineering, and Beyond

## Venue

Siam Bayshore  
Pattaya, Thailand  
Feb 16-18, 2024

[RESTCON.ORG](http://RESTCON.ORG)

## IMPORTANT DATES

- IEEE Thailand Section
- IEEE Education Society – Thailand Chapter
- The Japan Society for Precision Engineering (JSPE)
- Japan Society for the Promotion of Science (JSPS) - Bangkok Office
- National Institute of Metrology (Thailand)
- Kyushu Institute of Technology (Kyutech)
- King Mongkut's University of Technology North Bangkok (KMUTNB) - Faculty of Engineering
